

Cheer Legacy Allstars is a cheerleading organization that brings fun and excitement to the greater New Jersey area! We provide a safe environment for all our cheerleaders to build upon their own special talents, while bringing them together for intensive teamwork. The growth and happiness of our cheer athletes are our #1 priority!

We anticipate having multiple teams at all levels for the upcoming season but the levels of our teams will be dependent on the athletes that join. Our goal is to assemble these teams and train them at highly competitive standards, so the advance level teams will eventually emerge, as these athletes grow strong and solid, individually and together. Team assignments for the 2019-2020 seasons will be based on skills, performance presentation, and ability to integrate into a team. Our coaches and staff will evaluate each candidate based on her/his technical abilities, unique qualities, level of enthusiasm and, potential contribution to the team. Since tryouts will be conducted in an objective and considerate manner, team placement decisions are not up for negotiation. We will assemble teams that have the best chance of superior performance in practice and at competitions.

COMMUNICATION

We communicate with our cheer athletes and parents through Email and/or in our private group called Band. The group will be only for cheerleaders and their parents. Each member will be verified prior to entry into the group. Because parental input is important to us, we have an open door policy for parents and for athletes. If there are any questions or concerns, please come talk with us. If we are not readily available, we can be reached by email message or by text message. We will follow up with all contacts as soon as possible. Our open door policy is in place to open the lines of communication and facilitate positive dialogue.

COMMITMENT

It is imperative that our athletes understand that there is a high commitment to this sport and their team that cannot be put aside for other activities. While we appreciate athletes that have multiple interests in a variety of activities, it must be understood that their team comes before these other activities. Missing practice for dance recitals, other sports games are not excused absences, even if for a grade.

COMPETITIONS

We plan to attend multiple in-state competitions and multiple out-of-state competitions. Teams will attend 3 out-of-state competitions, which may include NCA in Dallas. NCA will be

determined early in the season and will be based on skills, attitude and team cohesion presented by the team. Our goal is to attend the D2 Summit in Florida.

TUITION AND FEES

This year we will be offering 4 different payment options. Family Discounts will be offered to families with multiple siblings.

- Initial full-time payment (Discount is provided)
- Bi-Annual payment (Discount is provided)
- Bi-Monthly payment
- Monthly payment

Tuition includes monthly rental space, tumbling instruction offered once a week for a full hour, and competition fees (with the exception of US Finals and The D2 Summit). This fee does not include hotel/travel expenses. If your child decides to become a cross-over Cheer Legacy does not charge for these fees.

Additional one-time payments for the following; choreography/music, uniform, practice wear, competition bow, USASF membership and registration (which includes insurance).

FUNDRAISING

Fundraising is an important factor in making cheer fun yet affordable. We are happy to announce the formation of the Cheer Legacy Booster Club, which is a parent based non-profit organization whose sole purpose is to benefit the athletes of Cheer Legacy. Becoming a member of this club will allow you to participate in all fundraising opportunities while forming strong parent relationships with other Cheer Legacy parents.
